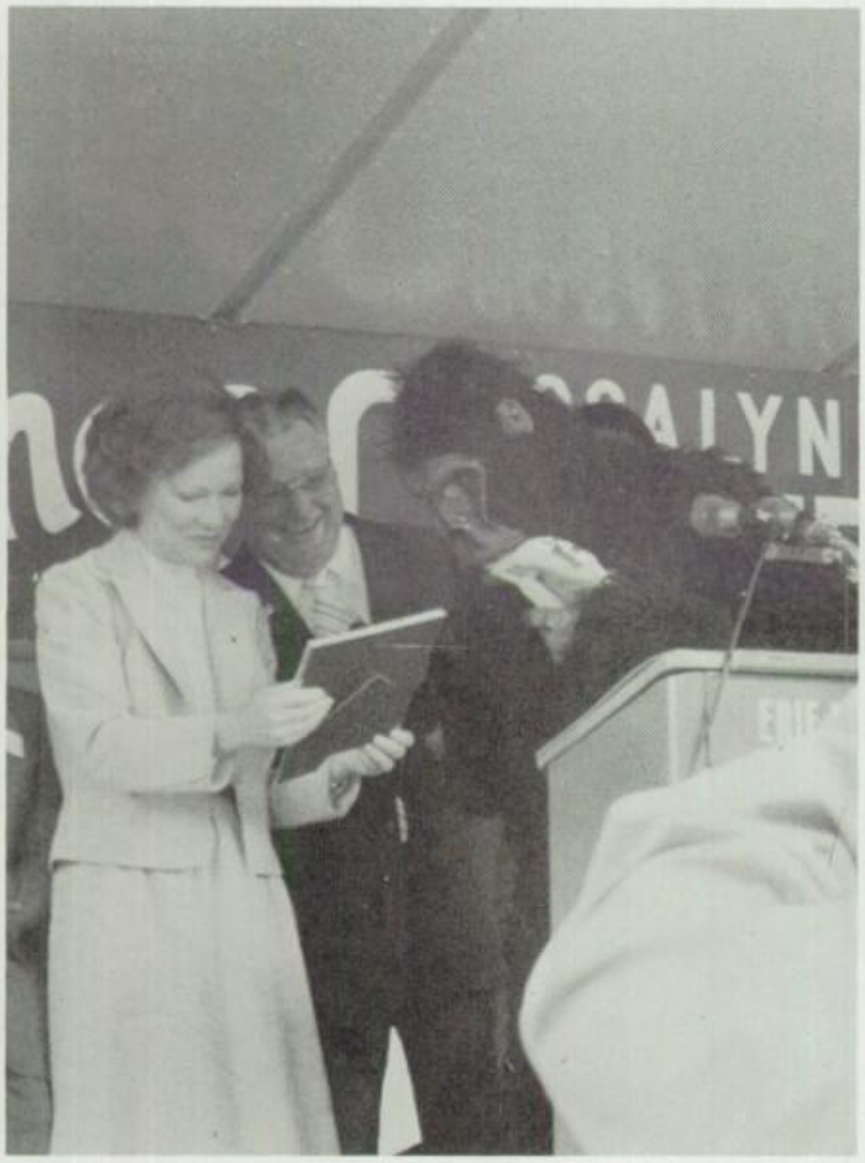
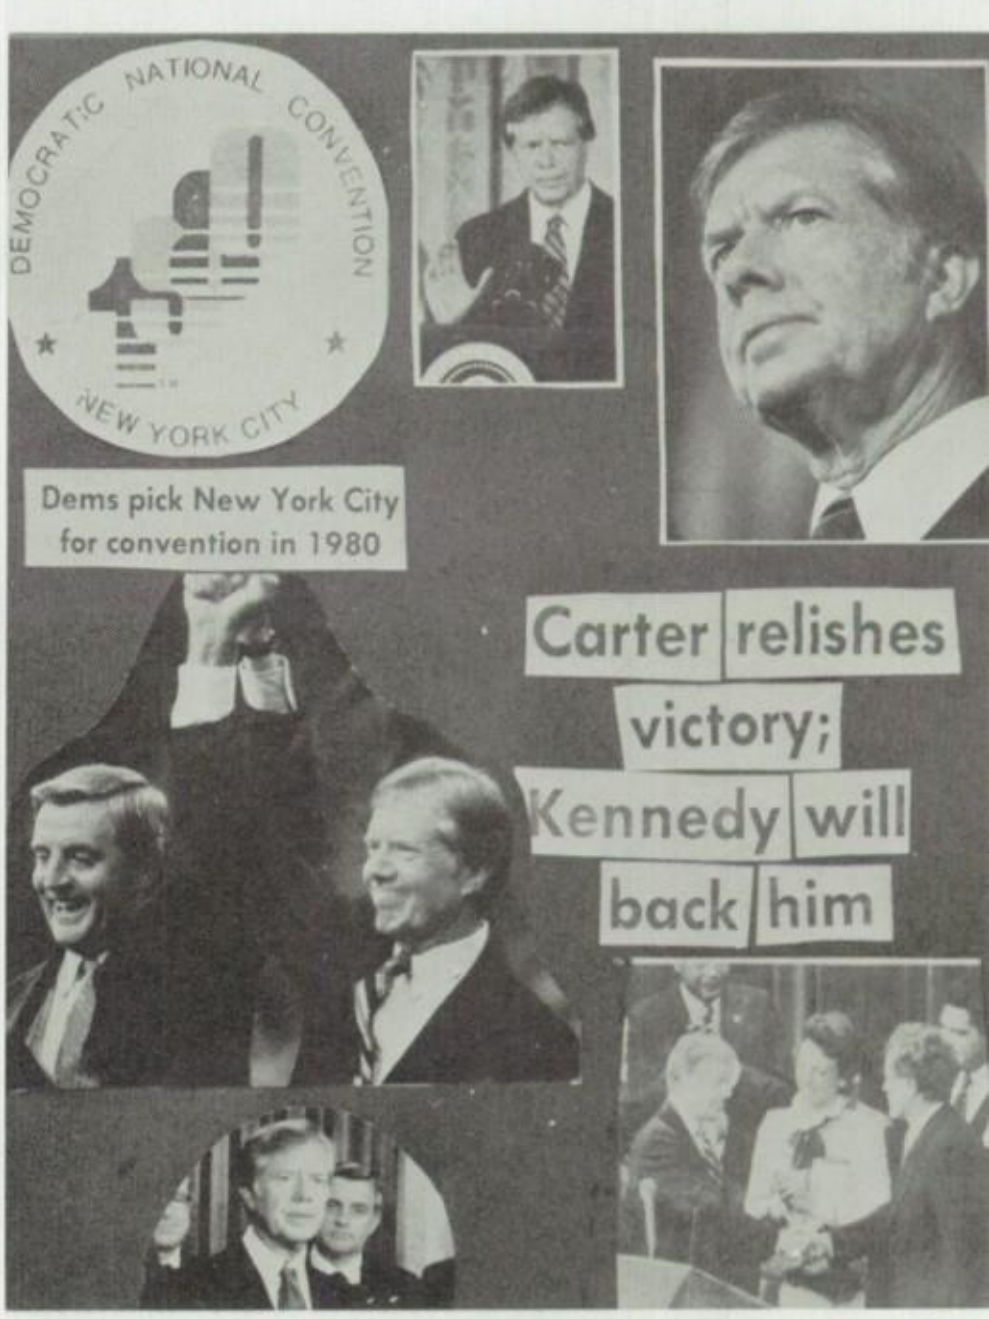
The world is ours . . . .
Its ever changing appearances
waiting for our pursuit.
A new decade,
new beginnings.
Now it is our turn
to accept the challenge
and conquer it.

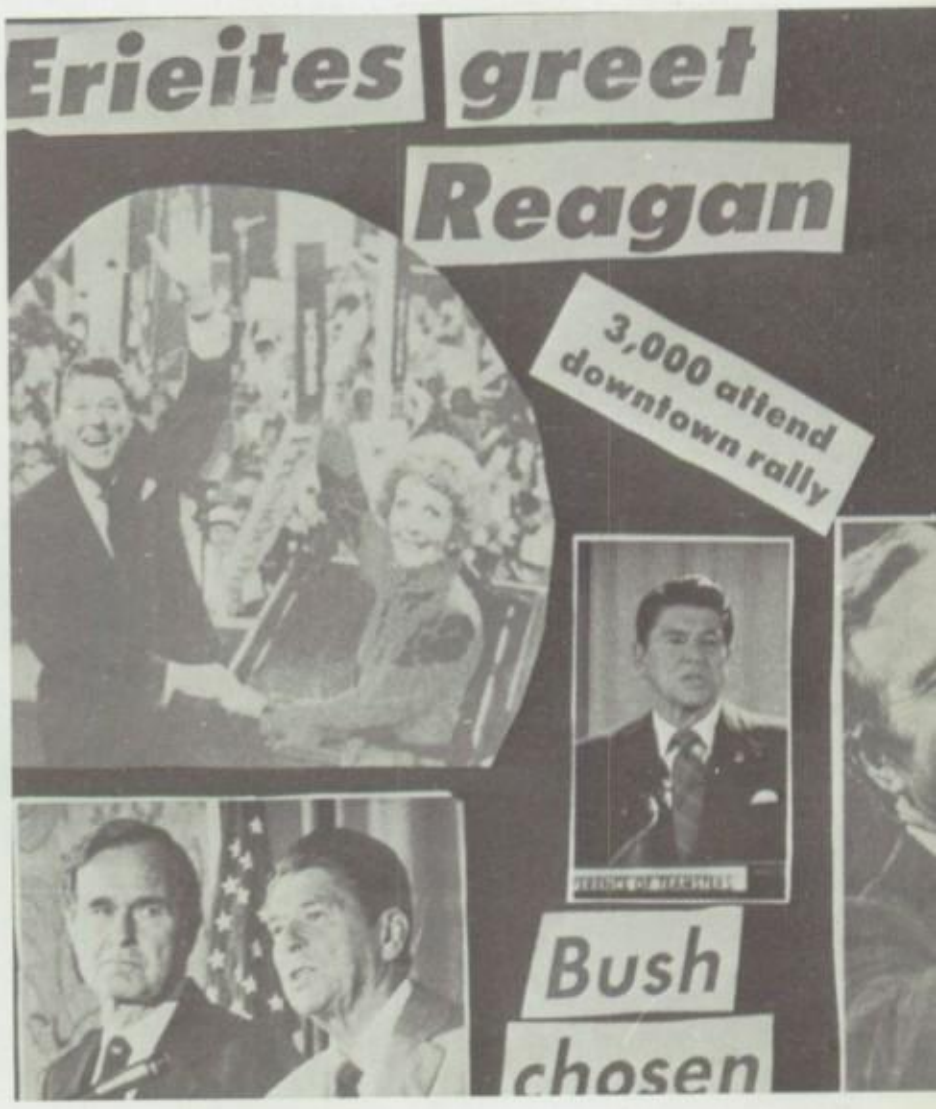
The 1980 campaign trail was heavily tredded at first . . . soon after it thinned out. In the end only two remained, Democrat, Jimmy Carter and Republican, Ronald Reagan.





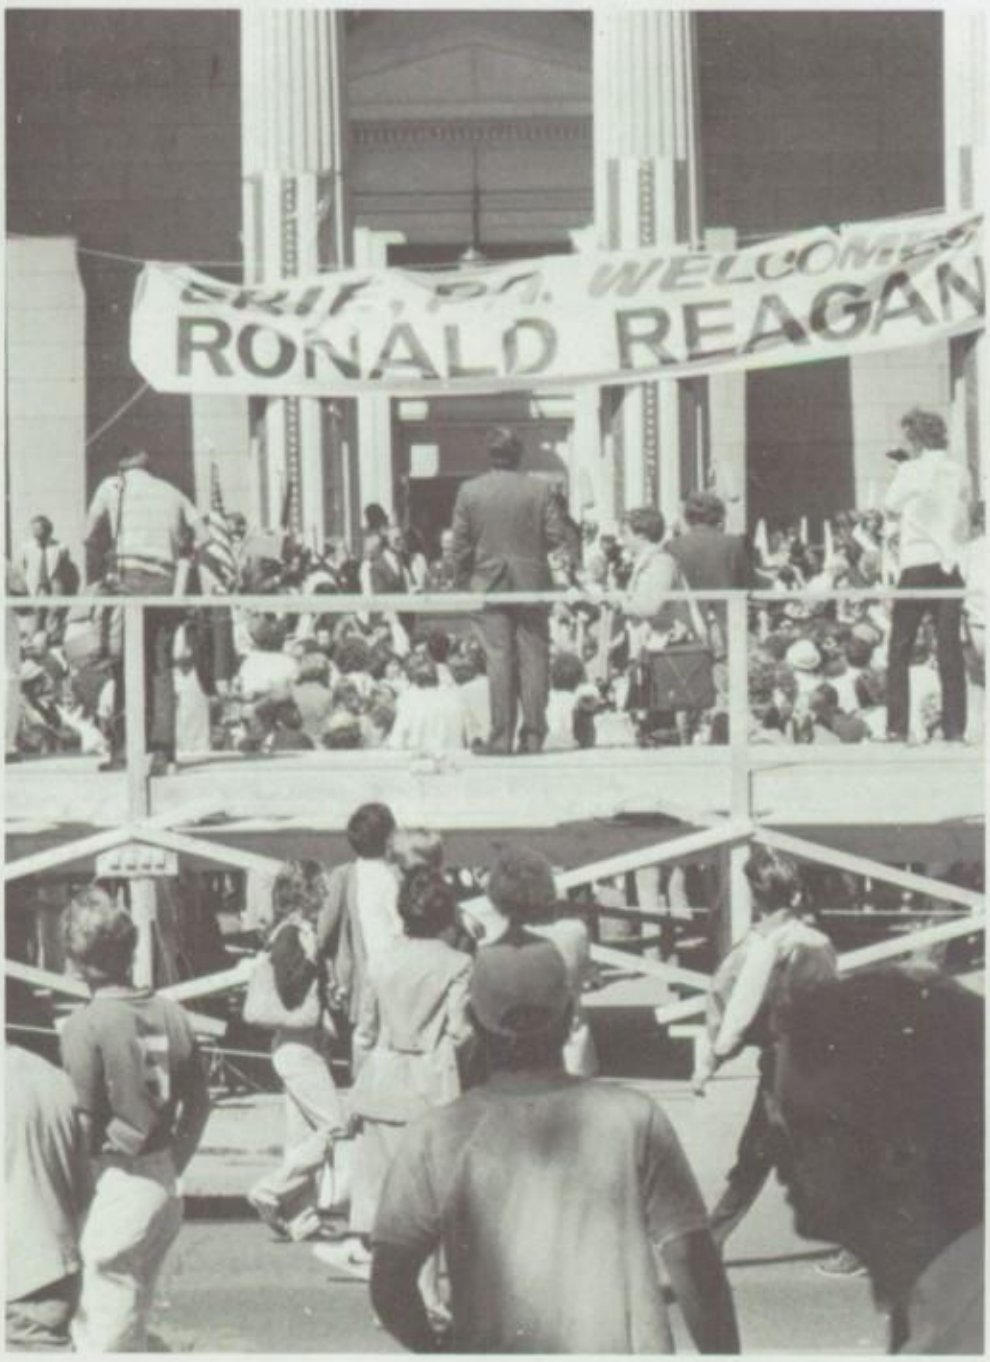
DEMOCRATIC NATIONAL CONVENTION
NEW YORK CITY
Dems pick New York City for convention in 1980
Carter relishes victory; Kennedy will back him

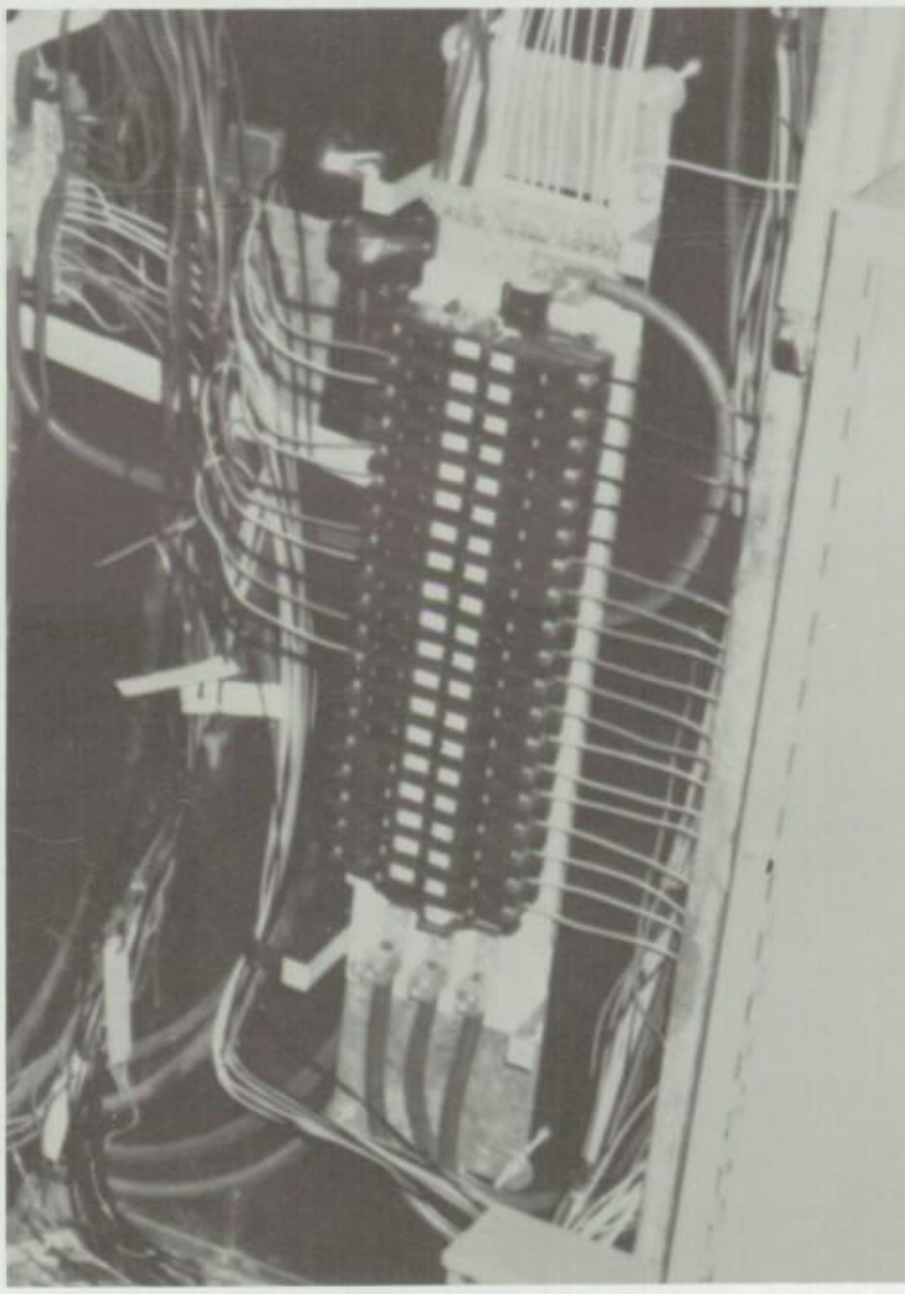
In January, 1981 Ronald Reagan, former Governor of California, took the oath of office as the 40th President of the U.S.



ERIE HILTON

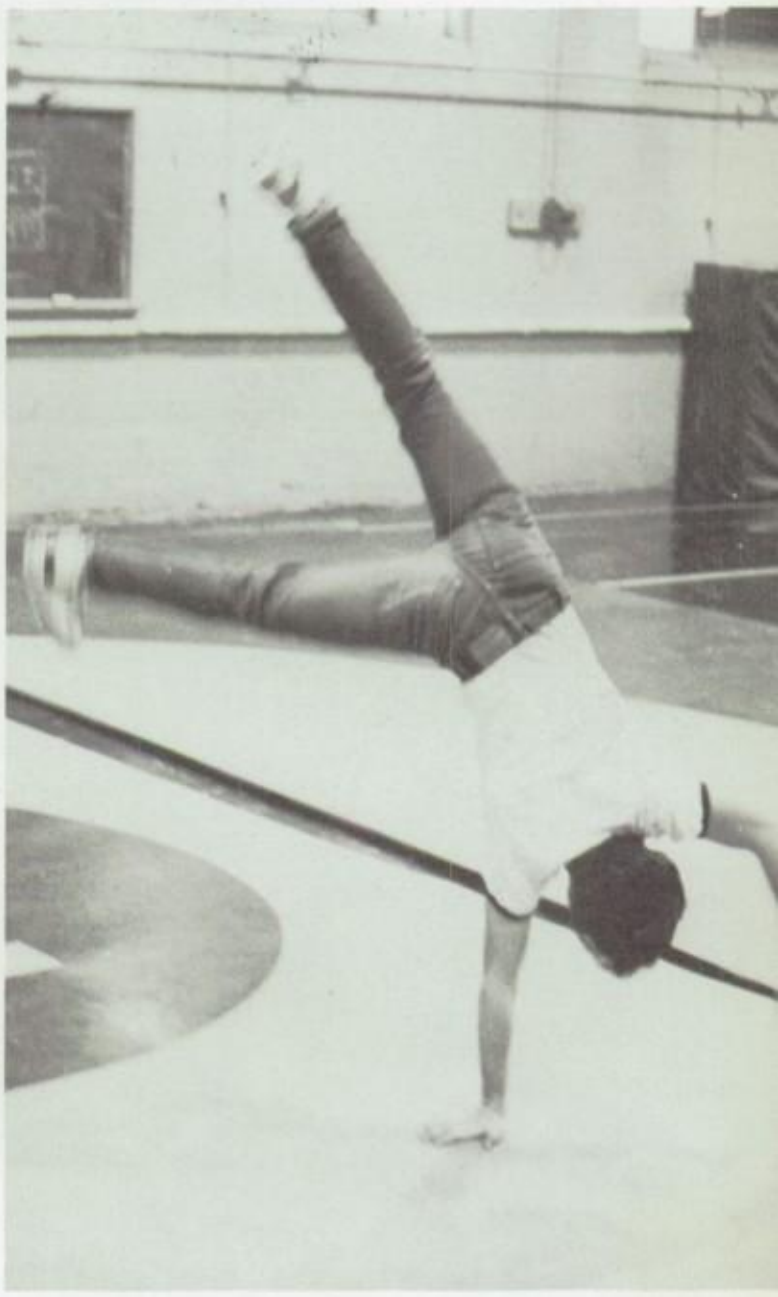
The hope that "the man we elect will courageously do what must be done to guard our freedoms" was the evident wish for the future.



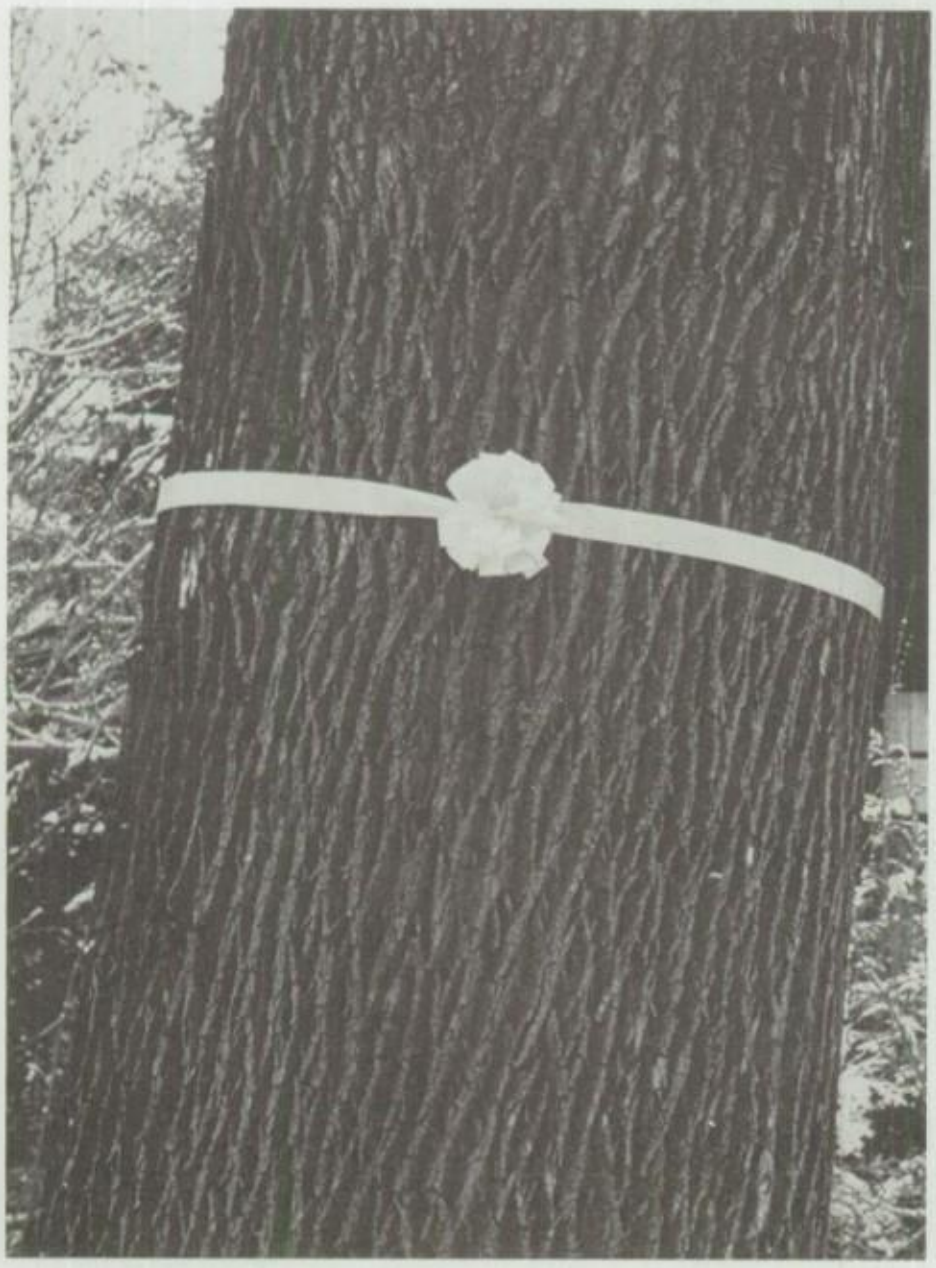


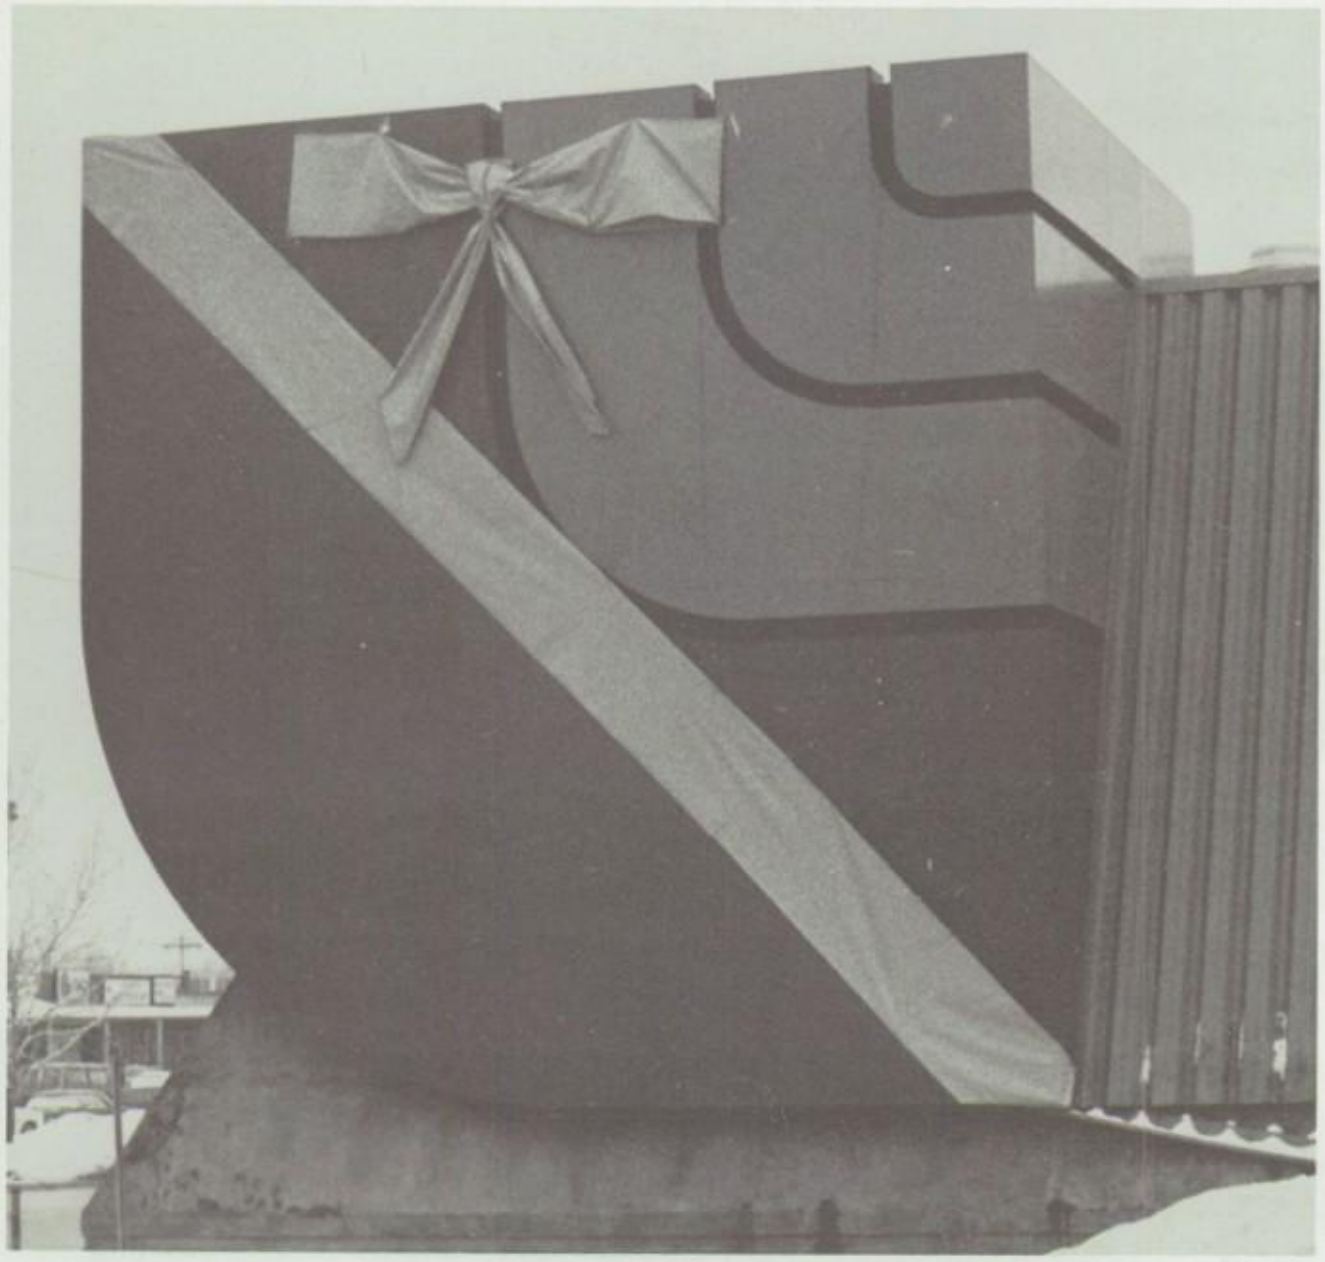
Progress and re-development wasn't restricted to the national level . . .
We saw changes in and around our school.

The face of a friendly gorilla was introduced to Erie. Shortly afterward, everyone was "Gorilla-gram" mad!



There was a renewed pride found throughout the nation. The release of 52 Americans held captive in Iran for 444 days finally came January 20.





WELCOME

We dedicate to you

We happily dedicate the 1981 Academe to Mr. William Ulrich, who will retir this year after teaching thirty-three years in the Erie School District. Mr Ulrich has spent the past twenty-seven years at Academy, all in Room 203 teaching mostly senior social studies and some ninth and eleventh grad history classes. For twenty years Academy's delegation to the Model U. N at Gannon University has been advised by this educator, and he has also been co-chairman of the commencement committee for an equal number o years. Mr. Ulrich will fondly be remembered for his keen wit and dry sens of humor, which will leave an indelible imprint on all of us who ever sat i his classroom or worked with him on the faculty. May his life be abundan with all the benefits and kindnesses that he imparted to us during his many years at Academy as a devoted teacher and loyal friend. We are gratefu and we wish him the very best of health and happiness.

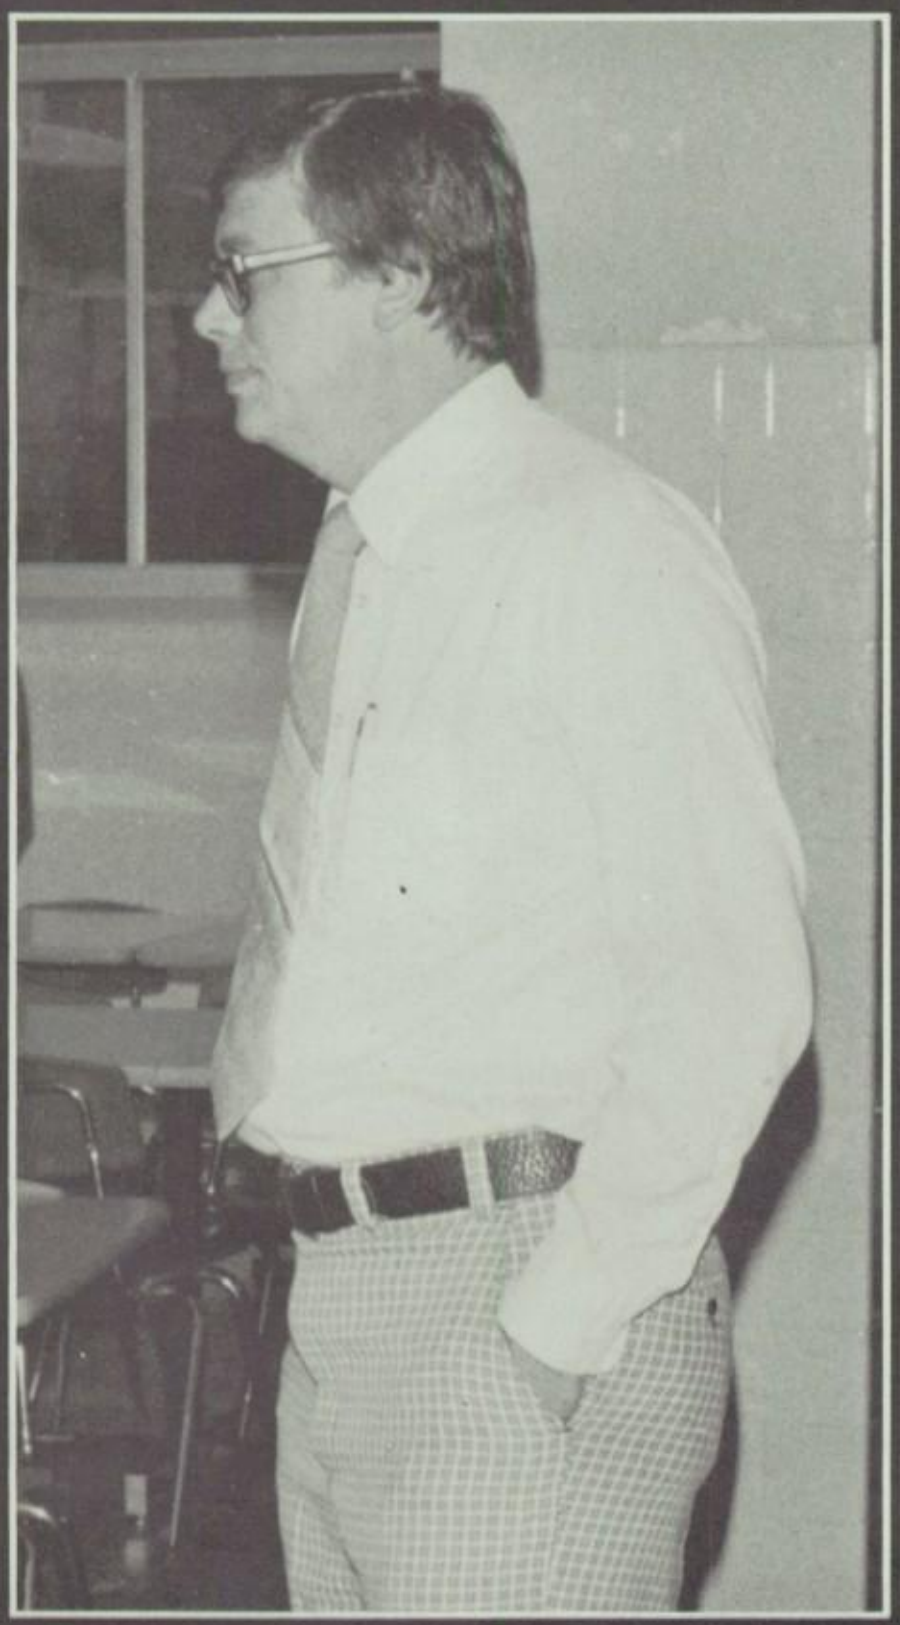
Faculty



Academy's high and mighty

A successful school year is the result of an efficient administrative staff and faculty. Academy is fortunate to have such a dedicated staff. Principal Donald DeNardo along with assistant principals Donald Zonno and Bertha Blau work diligently throughout the year to ensure discipline and guidance for all students. An experienced faculty provides many educational opportunities for the student body. These many options help meet the numerous needs of the students. The unique atmosphere of Academy enables everyone to accomplish his educational goals; for this we are grateful to the administration and faculty.

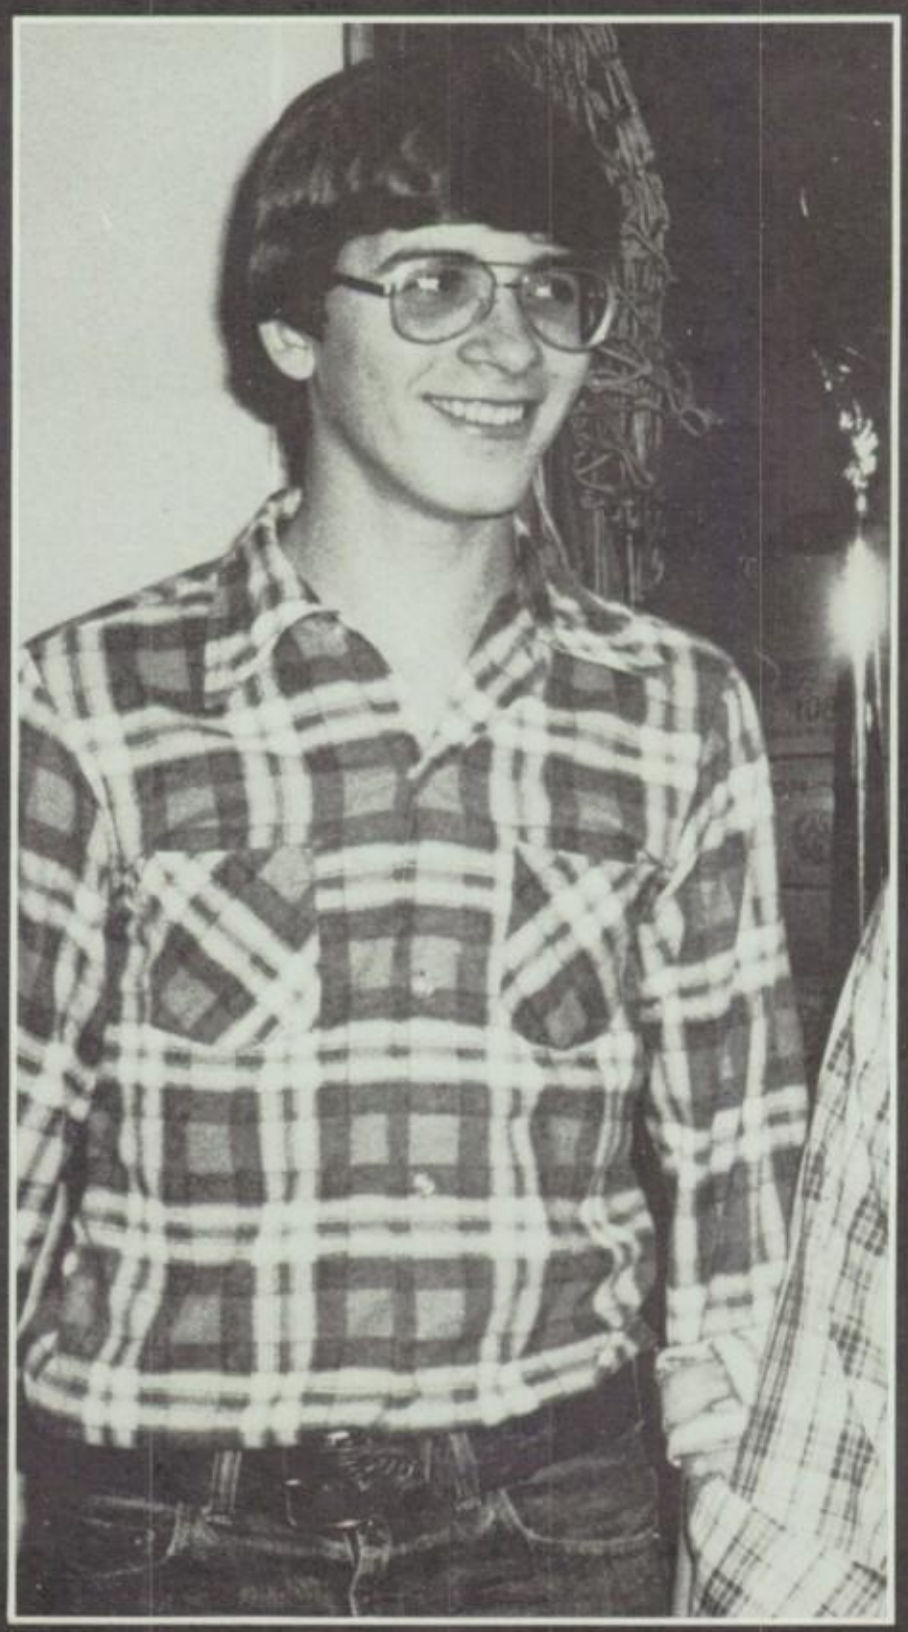
Underclassmen



Juniors

This was our year. We were no longer the school "neophytes" as we were able to involve ourselves even more than we did as Freshmen and Sophomores. We felt as if we had more power but still knew the seniors were the "Kings of the Hill". With the introduction of A. P. courses we needed more time for our studies; but always seemed to be able to sacrifice a night of schoolwork to attend a football or basketball game, a dance, or even a party where we knew we could join our friends. Also, more "weight" was placed on our shoulders as we became involved in the organization of the Prom. We become interested academically as our interest in class rank seemed to make us study more. We began our contemplation concerning college and PSAT's were taken to prepare us for our SAT's. Although as Juniors we felt of greater importance, we know we will look forward to being seniors, when we too can be "Kings of the Hill."

Shedding our fear and becoming more independent seemed to be what our sophomore year was all about. We now knew the layout of the school and had no trouble finding our new classes at the year's beginning. We were independent in the sense that we no longer had to ask upperclassmen valuable information, such as "where is room . . ." and "how do you get to . . ."; but instead we noticed the tables turning and the freshmen asking us. As the year passes, our responsibilities became greater, and we anticipate our junior year.

Freshmen

Coming to a new school is difficult, especially from a school where, as 8th graders, we were considered "kings of the hill." We faced a lot of new experiences entering the 1980-81 school year. Sports and clubs made us feel involved and gave us a sense of accomplishment which increased our courage to explore other activities. Although we were separated from some friends of the past, we recognized other comrads' faces in the halls as well as meeting new people. We enjoyed our new and exciting surroundings as we attended our classes. Though now we are no longer on top, we look forward to our upcoming roles as sophomores, juniors, and especially seniors with great pride.

Netmen fault to inexperience

The 1980 Boys' Tennis Team, with a record of 4-9, had its share of problems with a very young and inexperienced team. The top six netmen were Jeff Grygier, the only player not returning, Dave Shapiro, Doug Weary, Jeff Norcross, Greg Ugino, and Ron Gold. The outlook for next year's squad is very promising, as five of the team's six lettermen will be returning. Coach Ron Bailey feels the incoming freshmen are expected to help the team make a strong appearance against the other area teams.

The Girls' Varsity Tennis team suffered a discouraging season. They finished the year with an 0-9 record. However, it was a young squad with only one senior member, Karen Lasko. Rounding out the rest of the team were sophomores Kathy Birk, Tina Corraine, Gina Zona, and freshmen Karyn Brown and Brenda Wesmiller. Coach Ms. Rebecca Trojan was pleased with the improvement of skills throughout the season. The participants have good potential, and high hopes for next season.

Swimmers take a dive

Lack of participants and experience halted the 1981 Boys' Swimming team to a record of 0-10. This year's tankers, under the new direction of Mr. Evans, swam to the best of their ability. However, with only ten members on the team at the onset of the season, it was statistically impossible for the swimmers to win a meet. The top swimmers on the team included senior Bryan Rydzewski, junior Scott McCabe, and freshman John Wasielewski. Adding team depth was sophomore sensation Larry Reynolds. With the loss of only one competitor and hopefully the gain of many new members, next year's team should post a fairly decent season.

Despite their energetic participation and enthusiasm, the "Swimmin' Women" ended their season with a 2-5 record. Kathy Birk led the team in back crawl; Patty Eckendorf, in 200 meter and 500 meter free style; and Paula Vacanti posed as tough competition in the butterfly. Something new was added this year when Marie Gehrlein became Academy's first female diver. Coach Shirley Comstock commented that Karen Wyrich was the most improved freestyler on the team. Mrs. Comstock regarded this as a year of rebuilding. Everyone is returning, with the exception of Senior, Becky Postlethwait. These aquatic athletes will serve as a strong foundation for the swimming teams of the future.

Inexperience drowns poloists

The 1980-81 Waterpolo team entered the year with losing form and exited in the same manner. However, their 0-8 record does not express the talent the team possessed. Four members of the team were voted to positions on this year's All-City Squad. Notching second team positions were Bryan Rydzewski and Danny Hoffman while grabbing Honorable Mention spots were Brett Trott and Bruce Meyer. Two school records hi-lighted the teams season. Captain Bryan Rydzewski tallied 47 goals in one season, while co-captain Danny Hoffman blocked 27 shots in one game. The Waterpolo team lacked experience in players and coaches, but with 11 of their 12 lettermen returning, first year squad leader Tom Adamzyak has high expectations for next year.

Beth Zaffino, Annette Ponce, Jackie Watkins, Laurie Hiney, Kathy Ott, Jenny First, Lisa Hiney, Karen Moore, Jean Ott, Becky Bihler, Paula Vacanti, Kelly Kephart

In the 1975 season Academy lost many players and since have been trying to rebuild. Each successive year the team improves their metro standings. With 5 of 7 letter winners returning from the previous season, the spikers had a strong foundation. This year the girls finished commendably with a record of 8-6. They displayed experience in play execution and team cooperation. The starting team was composed of three seniors: Annette Ponce, Lisa Hiney, and Kathy Ott; and three juniors: Jackie Watkins, Jenny First, and Jean Ott. Becky Bihler, Laurie Hiney, and Kellie Kephart completed the varsity squad. The spikers exhibited the strength and depth it had lacked in the previous season.

Gymnasts tumble

With just seven gymnasts on the team the girls found it difficult to compete with the other area teams. Chief competitors were captain Nadie Lyon, Annette Ponce, Beth Zaffino, Dana Miles, Sherry Stevens, Sue Dina, and Carrie Kinem. These dedicated athletes did well in competition but fell just short each time. The girls had a disappointing 0-5 season, however they are sending three excellent team members to districts—Naida Lyon on bars, Annette Ponce on floor, and Beth Zaffino on beam and vault. Next years season looks promising with five team members returning and increased support from the student body.

Kevin Farrell, Joe Sinnott, and Paul Demyanovich provided excitement for the team throughout the season. Other team members included sophomore John Kosko and Junior John Harris. Freshman Paul Demyanovich was the outstanding player of this young team. Paul led the team with the lowest scores of the season and participated in district play. Despite this season's downfall, Coach Robinson has confidence in next year's squad since five lettermen are returning to make up a strong nucleus for the team.

Lack of participation hindered the Girls' Varsity Golf team to the extent of their finishing a disappointing last in the Metro League. The 5 member team ended the season with a record of 0-8. Team members included freshmen Mai Lein Casey, Debbie Trice, and Natalie Drake, and sophomores, Kathy Depew and Marie Gehrlein. Mai Lein Casey was 6-2 in Metro League play while placing 5th in Districts. She also advanced to the State Meet in Carlisle, PA. Mr. Thomas Robinson, the team coach, has a bright outlook for the upcoming season since all team members will be returning.

Aiding in the cause as defensive standouts were Paul Julio, Tom Nick, and Tim Brasington, who also led in the batting department with a .450 average. The Academy batmen finished the 1980 season impressively by capturing the Metro crown, placing second in District-10 action, and advancing themselves in the state tournament. In metro action, the Lions finished with an 8-1-1 record, and overall tallies 22 wins, 5 losses, and 1 tie. Greg Harayda, titled as "Mr. Baseball" led the team throughout the season. Coach Ron Severo was very pleased with the team's unity and is looking forward to an even better season next year. Although the Lions are losing the efforts of Harayda, Mark Matlock, Paul Przepierski, and Melvin Hobson, they are retaining experience with 12 lettermen. Batwomen break even

The softball season improved with a 7-7 Metro record, compared with last year's 4-10. The '79-'80 lionettes lacked in experience with only 5 letter winners from the previous season. Laurie Witosky, Kathy Snider, Kathy Ott, and Audrey Carter high-lighted the offensive attack for the batwomen. Kathy Ott earned first team All-city recognition for her undaunted outfielding. A second team title was given to Kathy Snider for her tenacious defense at first base. Making honorable mention bids were Audrey Carter, outfield; and Julie Kulesza, shortshop. With the exception of graduates Laurie Witosky, Bonnie Wodarski, and Audrey Carter, all other members will be returning for an even better season in 1981.

Despite a slow start, the 1980-81 Girls' Junior Varsity Basketball team showed great improvement as the season progressed. The lionettes won 10 of their last eleven games to come on strong in the closing weeks of the Metro season. Starters included Patti Baldwin, Laurie Hiney, Cathy Collins, Karen Kantorowski, and Meg Fuhrman. Seeing alot of action was 6' 1" Irvene Williams. The girls struggled for a 10-4 record in Metro and a 12-5 overall mark. Other members of the team were: Charlie Williams, Michelle DeSanti, Lois Wayne, Patty Tate, Julie Collins and Kim Kephart. They did well considering the girls had to switch coaches in the middle of the season. Former mentor Jim Welch helped coach Tom McDonald make the transition as smooth as possible.

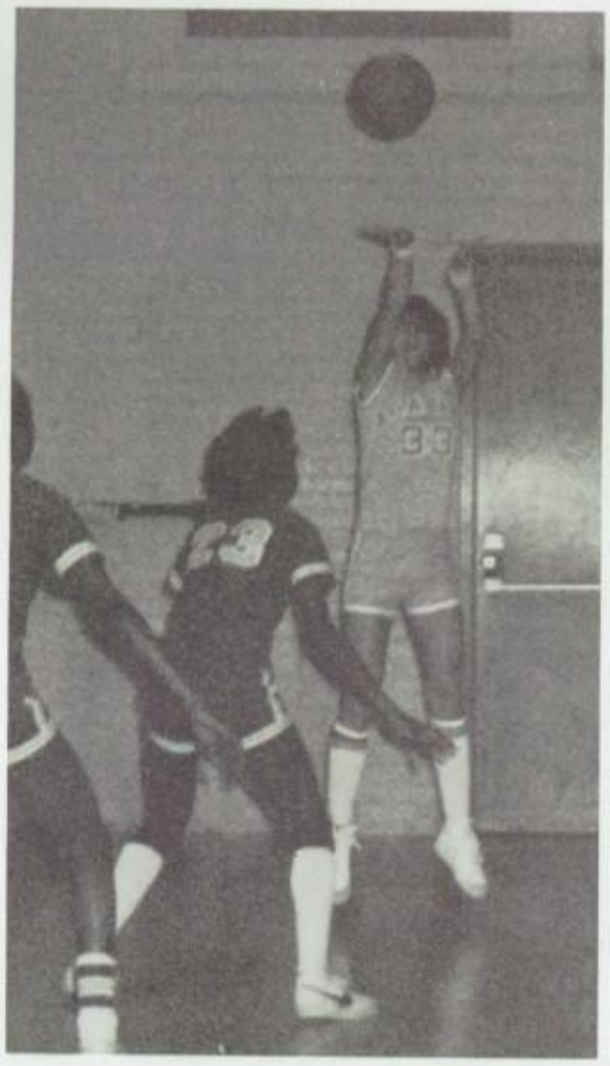
Metro champs



Co-captain Kelly Reedy, using perfect form, puts up a baseline jumper.

The 1980-81 Girls' Basketball team stunned the student body with their unbelievable ability on the court. They ended the season of regulation play with records of 18-3 overall and 13-1 in Metro. Under the coaching of Mr. Bob McDonald, the girls set two very impressive records: most points per game offensively (63), and most points scored in one game (81). The latter record was set by the class of "81" starters. The girls' are the Mays Cage Classic Champions and are in strong contention and probable district and state showings. Senior Co-captain Kelly Reedy, a starter since her freshman year, holds ten school records. At the end of her junior year Kelly's achievements included: most points scored in one season (500), most field goals in one season (211) and most steals in one season (91). At the conclusion of the 1980-81 season she had most career points (1326), highest season average (21.8), most career field goals (55), highest foul shooting percentage (71%), most career assists (239), most career steals (233), and most consecutive double figure scoring games (53). Outside of her school honors she received national recognition through *Street and Smith's* sports magazine. Kelly placed first in the County-City One-on-One Competition. In addition she also was named to First-Team All-city in her sophomore, junior, and senior years. Kelly is also the 2nd leading scorer in Erie's history.

Also providing team leadership was Co-captain Kathy Ott. Kathy has started every varsity game since her freshman year. She holds three school records including: single season assists (92), single game assists (9), and steals (11). While averaging 10 points a game this season, she has upped her career point total to 566 placing her third on the Academy All-time scoring list. Kathy also added strength to the team's rebounding. Another four year player is Lisa Hiney. Lisa played on the J.V. team her freshman and sophomore years, but moved up to the varsity and became a strong rebounder on the 1979-80 team. Lisa set the school record for most consecutive foul shots and is currently 8th on the All-time scoring list.

Kathy Snider also moved up to become a starter on the 1980-81 team. After attending Villa as a freshman, she played on the lions J.V. squad as a sophomore. Last season Kathy was sixth man on varsity and showed hustle and spirit to become a real asset to the team. Her two year scoring totals have moved her to the 14th spot on the All-time scoring list and with several games remaining she could advance even higher.

Another transfer from Villa is Dianne Baker. This was Dianne's first year on the Academy team. She had no trouble advancing herself to the starting line-up. She is presently the 9th highest scorer at Academy with an average of 10.6. Not only has Dianne exhibited many physical attributes to the team, she has added a new dimension in enthusiasm through her play.

The lions not only have a strong first team, but have great depth on the bench. Rounding out the 1980-81 team were: junior, Jean Ott, and sophomores Julie Kulesza, who is first off the bench, Patti Baldwin, Laurie Hiney, and Cathy Collins.

Varsity fouls out

Under the coaching of 2 year mentor Paul Demyanovich, Academy Varsity Basketball team ended the season posting a 4 and 16 record. With attendance problems experienced throughout the year, Academy suffered a disappointing season. The strong leadership of the starting five, consisting of 4 seniors and 1 junior, showed Academy's potential all year. The starting team was: Seniors: Kevin Harayda, Rick Skonieczka, Brian Franz, and Mike Blatt; and Junior: Jim Fisher. With a worthy bench of underclassmen consisting of 7 freshmen, 2 sophomores and 1 junior, the upcoming years look promising. Our sophomore sensations, Ralph Drayer and John DiTullio, experienced valuable court time. Having only two players returning next year, one of which has played all year, the other served as healthy reserve, Academy may have troubles next year, but should make a respectable showing.

Kneeling: Jim Fisher, Brian Franz, Kevin Harayda, Rick Skonieczka, Bruce Burkley, Mike Blat
Mike McCormick, manager. Standing: Joe Deboe, Ralph Drayer, Paul Demyanovich, Pat Men
Eric Naura, Kevin Dooper, William Campbell, John DiTullio.

Little cagers win big

The 1981 young lion cagers concluded their season with a respectable record of 13-5 and a second place finish in Metro competition. Under the reigns of first year coach Bob Hoffmann, the J.V. squad sported one of their better seasons. Aiding in the point department were sophomores, Ralph Drayer and John DiTullio, and freshmen Willie Campbell and Eric Nuara. Defensive standouts included Joe Kuna, Mike Brunson, and Joe DeBoe. With a number of young players compiling varsity playing time, Mr. Demyanovich should be receiving plenty of experienced J.V. standouts to boost next years varsity squad.

Junior Dave Burger is wondering why he goes to practice sometimes.

The 1980 Boys' Cross Country team finished the season with an outstanding 8-3 record. This record is one of the best records in Academy history. The season was lead by the outstanding running of senior, John Schneider, and juniors Dave and Dan Burger. Other help came from Rich Solvet, Paul Heise, Robert Byrne, Larry Reynolds, Bill Roberg, Rich Colley, Nick Montefiori, Kevin Costello, Matt Wolfrum, Brian Oleski, and Mike Vogt. John Schneider is one of the most improved runners in Academy history. His unique style of running has attained him respect and admiration in the Erie area. Juniors Dave and Dan Burger performed with an almost flawless style. Dan Burger helped tremendously in the eight victories of Academy's season. Without the excellent enthusiasm and running of the underclassmen the team could not have performed as a successful unit. Coach Dan Vereb said that the outlook for next season looks promising. With all members returning, except Senior John Schneider, the Lions should be the team to beat next year.

Harrierettes struggle to keep pace

Academy Girls' Cross Country team, led by Captain Patty Eckendorf, hustled to break even in the Metro League. Patty placed first and second in the first two meets respectively. Making a good showing by always placing in the top ten were Mary Voltz, Karen Wyrich and Marianne Toy. Elaine Pacely also had a good year. The harrierettes are set for the next few years because all team members will be returning. They have much talent and with this experience they will have an even better showing in next season's Metro League competition.

Sharon Stewart made it to the sectional meet for discus, javelin, and shot put. Annette Ponce and Lisa Saunders also participated in the triple jump. Making it to the district meet were Patty Eckendorf, Jennifer First, and Mary Bridges, while Tammy Halloway placed third in hurdles at the Metro meet. The 440 relay team consisting of Mary Jay Cox, Ann Gastomski, Lois Wayne, and Melinda Conner took 8th place at the state meet. Mary Bridges also qualified for state meet in the 400 meter run. The Cinderettes, coached by Bill Anderson, Elaine Benson, and Gregg Swabb, are looking forward to a better season in 1981.

Trackmen conquer district crown

Posting a record of 5-2, the Boys' 1980 track and field team ended the year with one of their best seasons in a decade. The team, competing in Class AA for the first time, started the year off by running away with top honors in the prestigious Kane Invitational. The Lion trackmen then ended the year by copping first place in the District 10 Championships and fourth place in the PIAA State Track and Field Championships. Pacing the Lion squad this year were senior captains Ray Dickerson and Alvin Jones. Ray placed first in the AA State 400 meter dash this year, adding to his 800 meter title of last year. Kane Invitational Most Valuable Trackman Alvin Jones added sparkle to the hurdles this year by placing first in 18 of his 22 races. Other senior standouts were high jumper Ernest Evans and long jumper Gary Gore. Also adding life to the team were juniors Lee Barney, John Schneider, Lavonne Rowan, and Ian Chapmen. The depth for this season was provided by sophomores, Kris Wolf, Doug Stewart, Brett Trott, Paul Heise and Dave and Dan Burger. Second year mentor Jim Delsandro has high hopes for next year's squad.

Grapplers draw record

With performances from seniors captain Ron Holman, Joe Moyak, Dave Rogers, and Joe Evans, the 1981 wrestling squad grappled to a record of 6-6. Most of the teams strength was concentrated in the middle weights as they compiled over three fourths of the seasons points in this department. Other top matmen included Bob Witoski, who missed most of the season because of an injury, Fred Williams, Dave Whitehill, Tom Parker, Paul Grygo, and Chris Johnson. With the loss of many seniors, Coach Hayes can only look forward to a year of rebuilding next season.

This year the Colorguard and Rifle line performed to expertise throughout the marching season. Along with the band, these units participated in half-time shows, pep rallies, and competitions. During the off-season they worked on drills for upcoming parades and other spring competitions. With the help of captains Jennifer Lego and Paula Ferguson, the colorguard received the honor of Best Colorguard at the "Music in Motion" competition, making this two years in a row. Leading the Rifle line through a spectacular year of performances was John Constable and Sue Steiner. The intrinquet drills performed by the line made them one of the best in the area. The 1980-81 Colorguard and Rifle line proved to be the best thus far, with even more hope for future years to be better.

Champion performers

Once again the Academy band conquered another stumbling block to become immortal. Featuring a corp style show the band dominated all novice class competitors in NYSFBC, 1980-81. This year's show included Crown Imperial, Drum Solo, Earth Wind & Fire Medley, and Danny Boy. Under the leadership of Director Frank Williams, Drum instructor Al Hilnski, and drill instruction from the Beckwith Brothers, the band achieved great excellence in the area of marching. Drum majors Steve Reichert and Tim Steinhauer maintained complete control of the band through its many competitions. Members practiced from 2-5 every day and Saturdays perfecting a high energy show. This year's show was more daring and unique than any other area band. In only three years the band has come from the basement to the top of their class, only proving what hard work and determination can do.

Yet another integral part of the music department is the Orchestra and Stage Band. Though membership of the Orchestra was small, they had a big sound. Meeting daily 5th period, Mr. Williams educated them in all areas of classical and contemporary orchestra music. With a clinic given by the Perry String Quartet, string players learned better technique and musicianship. The Stage band added another side to this well rounded musical department. Jazz was a cornerstone of this class which included theory, improvisation, and general musicianship. Performing in many out-of-state jazz festivals, the Stage Band made impressive marks. Director Frank Williams has proved to be invaluable to Academy's Instrumental music department.

Twirlers entertain

The high-spirited Lionettes (Pom-Poms) and Majorettes have drawn the applause from attentive spectators at rallies, competitions, parades, and football games. They have shown that hard work and dedication can produce vivacious performances. The twirlers were led by Kyra Lewonas, and the Pom-Poms were directed by Jennifer Fendya and Shelia Page. These dedicated girls displayed effective leadership ability. All these girls attended Tri-State Band Camp. At camp, the incoming freshmen learned the importance of the high knee lift. This was one of the requirements for winning competitions. The girls also made up new intricate dance-jazz routines for the upcoming season. Following camp, long hours of practice ensued during sixth period and after school. The sale of candles and Pulakos' Candies enabled the girls to purchase new uniforms. The climax of the season, trips to New York and Syracuse, was made possible by other sales. The combination of all these efforts produced a commendable squad.

Drama Club

New faces and new stars appeared in this years drama club production. Mrs. Patricia Monahan guided the club through a growing year. The club members were alotted much freedom in the production of their plays. As each production passed, members gained more experience and confidence.

Chess Club

The Academy Chess Club thoughtfully enjoyed another year of chess. Under the direction of Mr. Martin Niebauer the club gained great knowledge and experience in the game of chess. Weekly meetings and periodic tournaments with area high schools served to test these newly acquired skills. Interest in the game is building and next year bigger plans are being made.

French Club

This year's French Club, under the direction of Mrs. Elsie Cambell, enjoyed another successful year. The club's main purpose was to familiarize themselves with French customs. One way in which this was accomplished was by their annual trip to a French speaking city.

Spanish Club

Although this year's Spanish Club lacked officers, the direction of Mrs. F. Major proved to be successful once again. Events which took place this year were cooking in the Home Ec. room, singing Spanish oriented songs, dances, and the breaking open of the pinata.

Academe portrays student life

The 1981 Academe staff, slowed down by problems early in the year (many of which got more complicated as the year progressed), struggled to meet deadlines and still produce a quality book. Under the new supervision of Mr. Roger Roumfort, the virtually entire new staff worked long and hard learning the techniques and often too picky rules of yearbook production. Editor Donna Schaaf, with the assistance of Tom Nick and Doug Stewart, dedicated both time and knowledge to the staff. Hopefully, this sixty-first edition of the ACADEME will serve its purpose and project the many memories created in the 1980-81 school year.

Star reports to perfection

This year the Star Staff was presented with a problem. Only six of twenty-one members returned to the staff. Familiarizing these new members with the processes by which a star publication is created was a task for Mrs. McConnell, the advisor. Despite a slow start, the new members soon learned. This new staff is now faced with a new difficulty, as inflation has hit Academy also. The rising cost of materials, such as, ink and paper has placed a limit on the number of pages an issue can contain — a total of twelve, which is the same for all Erie Public Schools. Mrs. McConnell is confident that this obstacle will not stand in the way of producing an excellent Star.

Society explored

Officers: A. Jones, P. Page, and D. Lyons discuss future activities.

An active Afro-American Club, headed by Emory Lyons and advisor Frank Williams, entered the '80-'81 school year successfully. They raised money for skating parties, and money for the educational Black history program during black history week. The club worked hard by selling glasses and pins. Bake sales made all of our plans possible this year. The Afro-American club is open to young black students to familiarize themselves with the roles of black people in today's society. It also gives black students an opportunity to experience a good club. Assisting Emory Lyons were Vice President Joe DeBoe, Secretary Pam Conner, Assistant Secretary Amy Jones, Treasurer Rosemary Jordan, and assistants Lavita Williams and Marshawn Jordan.

Cheerleaders add support

The 1980-81 edition of the Academy Varsity and Junior Varsity cheerleaders practiced during the sixth period, moving from area to area until the auditorium stage was available. During this time, the all-girl squads worked on cheers and ideas to raise school spirit along with planning rallies and ways of making money to send next year's group to cheerleading camp. The Varsity team, under the direction of Captain Chris Stockhausen and Assistant Captain Pam Conner, and the Jay-Vees, led by Co-Captains Danna Miles and Sue Crocker, worked together to sell $600 worth of school supplies, pins, and other items to both raise the Lions' spirit and provide the means for camp experience for next year's cheerleaders. Cheerleaders must maintain a C average in all subjects to be eligible for the squad and are responsible for cheering at both girls' and boys' athletic events. They are living symbols of the mighty Lions' spirit, hustle, and will-to-win and put forth much time and effort to lead the Hilltoppers' spirit.

Senate voices student opinion

Enjoying a somewhat successful year, the 1980-81 Academy Student Senate introduced a new event, as well as the ones with which we are all so familiar. This new event was the sponsoring of a 90 minute movie. Admission was charged and the overwhelming turnout seemed to be an indication that this would also become an annual event. Other affairs which were Senate sponsored were the dances, (Homecoming, Christmas, Valentines, Spring, and others), the always popular Carnation and Slave days, Hat days, and a long list of others. Under the neophyte advisory of Mrs. Patricia Monahan, monthly senate meetings were held during 5th period in the Resource Room. President Liz Sesler conducted these meetings with the assistance of vice president Kim Rouse, secretary Jennifer Fendya, and treasurer Chuck Quinlan. Although this year's Senate enjoyed many successes, the student body hopes the upcoming years will bring even more and better developments which will benefit all.

Enthusiasts conquer outdoors

Ski Club

The 1981 Ski Club hit the slopes at Peak-n-Peak Ski Resort for the first time this year on January 7. They will be going to the Peak every Wednesday for eight weeks. The Ski Club, under the direction of Mr. Zonno, heads up to the slopes to escape the monotony of Erie winter. The club is not for competition. Their only purpose is to allow students to enjoy the excitement of downshill skiing and to take advantage of the reduced group rates the Resort offers. Although this year's Ski Club was reduced in size, as compared to last year's, the fun which is had by all seems to grow more and more every year.

Saddle Club

Students interested in learning basic riding techniques joined the Academy Saddle Club. Guided by Mrs. Smith, the club enjoyed unusually great success. Raffles and other special projects added to the club's prosperous year. During periodic visits to nearby riding academies, members received individual lessons from special instructors. The club has finally recovered from past years' poor support, and is on its way to a successful future.

Model U. N.

Representing Libya, the Academy Model U. N. enjoyed preparing for and participating in the Mideastern block meetings held at various high schools in the area. There they discussed many problems facing the world such as the energy crisis; the plight of political refugees, drugs, the Southeast Asian crisis and nuclear energy, and got ready for the General Assembly at Gannon University. It was there that they successfully role-played their parts as Libyans and were instrumental in passing several important bills.

National Honor Society

The seventeen members of the Academy National Honor Society met once a week to discuss school projects. They raised money to buy books for the school library, and for other useful projects. Throughout the year, members stressed service to the school and community. The leadership of President Becky Jenkins and Vice President Annette Ponce proved effective throughout the year to accomplish their goals.

Vocalist perform

In the 1980-81 school year, the Academy Choral Department, under the direction of Mrs. Brenda Ferritto, has developed into a more diversified group. Beside the Concert Choir and Academy Singers, that have been perfected in the past, Mrs. Ferritto organized a Show and Swing Choir called The Hilltop Singers. The Hilltop group, which consists of ten couples shows a new dimension of choral performance, which features choreography as well as vocal music. Also performing this year are the Gospel Singers and Women's Barbershop group. The Gospel Singers, under the leadership of Crystal Ross, is comprised of black choir members who are also members of the Afro-American Club. Their group demonstrates a style of religious music inherent in black churches throughout America. Making their own contribution to women's Lib, eight women from the choir form a barbershop group (usually performed by men). Complete with choreography they always provide variety and humor to the spring performance.
